**Letter of Agreement to Comply With the Code of Federal Regulations, Title 44, Section 65.10
(44 CFR 65.10) and Request for Provisionally Accredited Levee (PAL) Designation**

We, the undersigned, have received the letter from FEMA dated **March 31, 2008**, and the enclosed document entitled "Requirements of 44 CFR 65.10". We understand that FEMA is in the process of providing updated flood maps for the **Township of Spring Garden, York County, Pennsylvania** and that the area behind the levee known as **Tyler Run Floodwall** will be remapped to reflect that the levee has been designated as a PAL.

We understand that all the necessary information to show that the levee known as **Tyler Run Floodwall** complies with 44 CFR 65.10 will be required before **June 30, 2010**. In addition, we understand that it is the responsibility of the levee owner to submit the data required by 44 CFR 65.10 before FEMA can accredit the levee as providing protection from the base flood. This information will allow FEMA to move forward with the flood mapping for the **Township of Spring Garden, York County, Pennsylvania**. We fully acknowledge that if complete documentation of compliance with 44 CFR 65.10 is not provided within the designated timeframe of 24 months, FEMA will initiate a map revision to redesignate certain areas on the landward side of the levee as floodprone.
